Christian-Montgomery County Emergency Management Agency

Special News Release (4/18/2020 10:00 am)

Montgomery County:

The Montgomery County Health Department, along with the Chris-Mont Emergency Management Agency, would like to give notice that the Litchfield Oncology Institute located at 1201 E. Union Ave., Litchfield, IL has been quarantined as of Thursday, April 16, 2020. This facility was placed under voluntary quarantine by the owners Mahmood Real Estate, LLC. due to an outbreak of COVID-19. The facility has had five (5) staff members and two (2) patients test positive for the virus. The Montgomery County Health Department is working in conjunction with the Macoupin County Public Health Department to coordinate a solution for the patients of the Institute so they may continue treatments. This facility is privately owned and is not associated with St. Francis Hospital or Springfield Clinic.

No additional information will be released as this is an active investigation.

Christian County:

Tomorrow morning, Sunday, 4/19/20, the Christian County Health Department working in conjunction with an Illinois National Guard Medical Team that is being deployed to Taylorville for the day, will be assessing all Park Glen residents to determine if the quarantine of that facility can be removed. The residents and the public will be notified after the assessments are completed of the quarantine status for the facility.

We are all in this together! / #OneTeamOneFight
