February Report

2012 Assessment /Board of Review

We have completed processing our map work for 2012 assessment year. Board of Review has processed 172 complaints and all tentative notices and 132 final notices have been mailed. We have hearings scheduled for February 5 & 19 and may have to schedule another day in March.

2013 Assessment

We are going to do the assessment work for East Fork, Grisham and Walshville MTAD for 2013-2014. For 2014-15 we could potentially have 3 more MTAD without assessors. We will look into an agreement with these districts for us to do the work if they do not find any assessors.

Exemptions

We received the revised exemption forms from the Department and will mail renewals the week of February 4, 2013.

Miscellaneous

I attended a legislative meeting of the CCAO organization, we discussed potential legislation. I have scheduled class for March 18 & 19 in Bloomington.
