**2013 Board of Review**

Board of Review met March 4 to sign Finals and to discuss possible rule changes for the 2014-2015 Session. They will meet again in April to sign assessment books and to recommend changes to rules.

**2014 Assessment**

We have completed our work and have been checking reports before running the Final Abstract that will be sent to the Department of Revenue. Books will be printed after we roll to the Clerk.

**Exemptions**

We have received about 1060 of the 2014 exemption renewals back at this time.

**Miscellaneous**

I attended training in Bloomington the March 26-28. We have been working with Bill Purcell getting ready for the website. We continue to work on the site address project as time permits.

Will attend the Mayors Meeting April 2 to discuss our Structural Improvement Permits.
