**March 2014 Report**

**2013 Board of Review**

Board of Review held hearings February 26 which should be the last for the 2013 assessment year. BOR should complete their work sometime in March then we will work on balancing the assessment books.

**2014 Assessment**

We have begun work on the 2014 assessments and will print books as soon as we balance and roll to the New Year. We have been working on site address issues as time permits. Assessor books will be printed after abstract is balanced and mailed to DOR. After books are printed we will contact assessors to pick them up and they will have until June 15 to complete their work for 2014 and return the books to us.

**Exemptions**

We mailed out 79 letters to notify taxpayers that had not renewed 2013 senior exemptions and have had response from 20 so far. We have received about 764 of the 2014 exemption renewals back at this time.

**Miscellaneous**

We have scheduled training for 3 staff members at this time and I have class scheduled for March 26-28 in Bloomington.

A kickoff meeting is scheduled with Beacon representative March 3 to discuss startup of the website.
