**February 2014 Report**

**2013 Board of Review**

BOR received 127 complaints and have completed inspections on 125 properties. Hearings are scheduled February 25&26 in the County Board Room from 9:00 am – 3:00 pm. After hearings are completed we will begin the work on the final abstract that will be sent to the Department of Revenue.

**2014 Assessment**

We mailed approximately 3000 Exemption renewals for Senior Homestead and Disabled Persons/Veterans Exemptions January 22, 2014 and have a good response.

**Miscellaneous**

We have begun to schedule training for 2014 with Illinois Property Assessment Institute and the Department of Revenue classes are very limited at this time.

I have ordered the binders for the assessment books that will be printed after we finish work at Board level.

Met with GIS work group about the web site and flyover to be completed early this year and we are looking forward to have this new tool available for the public and our township people to use.
