January 2014 Report

2013 Board of Review

BOR received 127 complaints and have completed inspections on 125 properties. Hearings are scheduled January 7, 2014; the BOR will complete the remaining inspections soon. We will schedule another day for hearings the end of February.

2014 Assessment

The Annual Assessor's Meeting was held December 30, 2013 in the County Board Room; all Assessors were present as well as Board Chairman Roy Hertel and GIS Coordinator Mary Purcell who gave a presentation on the proposed Web site and flyover. We have received the updated exemption forms and have made the necessary changes. This year we are going to use a combined form for the Senior Citizens Homestead and Freeze Exemptions and they will be mailed in sometime this month.

Miscellaneous

We have received class schedules from the Illinois Property Assessment Institute but have yet to receive the Department of Revenue's schedule. We will wait to see what the Department offers before scheduling any training for 2014.
