July 2015 Report

2014 Assessment

We have processed 150 Certificate of Errors for the 2014 tax bills at this time.

2015 Assessment

We have received Assessor Book back from four Assessors at this time their books were to be turned in by June 15 but because of the Quad Year there should be more changes than usual some will be turned later.

2015 BOARD OF REVIEW

Board will meet next month to review exemption applications.

Exemptions

We have received approximately 2200 senior exemption renewals at this time and approximately 300 Disabled Veterans/Persons exemptions. We will mail post card reminders in August.

We are still waiting for the Governor to sign the bill changing the Disabled Veterans Exemptions and for revisions to the existing applications from DOR.

Miscellaneous

The farmland committee met June 29, 2015 to review the 2016 certified values for the farm land assessments all committee members where present with two guests. I attended Area 4 meeting June 30 there was discussion of pending legislation and changes to exemption forms.

GIS

Work continues on the Enterprise Zone revisions for the new application we have printed maps printed for final review and will print larger maps of each community after approval.

Oce Plotter: I received a notice from Canon Solutions America of an increase for the service contract fee which is not due until October 1, 2015. I contacted them and requested a copy of the contract for review.

Pictometry

Trent Pell was here Monday June 22, 2015 he made a copy of the new flyover to deliver to Beacon for the website. He also suggested that we make an additional copy as a backup and I asked the IT department to do what was needed. We discussed additional training for staff and agreed that it may be beneficial and will be scheduled for some time in August. I have also spoken with Dan Attoma who will be our Technical Trainer. I have asked the IT department to set up laptops for hands on training.

Beacon Schneider

There been some issues brought up from Treasurer's office and we are working with the Beacon our IT department and DevNet to fix these issues as well as.
