February 2015 Report

2014 Assessment

We will prepare the Abstract after the BOR has completed their work

2015 Assessment

We will begin property inspections as weather permits for Grisham, Walshville, and East Fork MTAD.

2014 BOARD OF REVIEW

BOR held hearings and have almost completed their work which should be finished by the end of February.

Exemptions

Approximately 3000 Senior & 350 Disabled Persons/ Vet exemption renewals where mailed in January we have received about 500 senior renewals at this time and

Miscellaneous

I have scheduled my continuing education for March and May, and will schedule training for staff later in the year.

Structural Improvement Permits

We processed and completed 110 permits for 2014 approximately 25 of which were new homes.

GIS

We have filled the GIS Technician position and Cassidy Younker was hired and started work February 2. Parcel mapping training has been scheduled for GIS Tech for February 18-20 with Lynn Mano from Bruce Harris. Training will be done in our GIS Office. They will also send the report of any problems they discovered during the review of our map data and Lynn will get Cassidy started making corrections.

Cassidy has been working this week on organizing her office and becoming familiar with new surroundings. I feel that she will be a great asset for our County.

Plat Act Review

I received and processed 7 requests for Plat Act Review for January.

Pictometry

Per John Stoia the flyover is about 82% complete at this time and right now they are waiting for the weather pattern to change and probably won't finish until March. They are going to make the new information available to us as soon as possible.

Trent Pell has scheduled a training session for county offices for February 18 at 11:00am in the County Board Room.
