**April 2015 Report**

**2014 Assessment**

The 2014 Abstract was delivered to the Department of Revenue by the County Clerk March 20, 2015. It is in the review process and I received an email with questions Tuesday April 7, 2015 and now we just wait for them to complete the process.

**2015 Assessment**

The Assessor books have been printed and should be ready to go for the Assessors by April 15.

**2014/2015 BOARD OF REVIEW**

Board has signed the 2014 Assessment books and will review their rules for 2015 later this month or early in May. Their 2015 session will begin Monday June 1, 2015

**Exemptions**

At this time we have received about 1100 senior renewals at this time and 240 Disabled Veterans/Persons exemptions.

**Miscellaneous**

I plan to attend the IACO Conference April 28 and the Department of Revenue Board of Review/Supervisor of Assessments meeting on April 29 in Springfield.

Sara Batty and I will attend class in Effingham in May.

**GIS**

Cassidy will work with Chris Daniels on the revisions to the Enterprise Zone maps for Mayor meeting on April 15.

Along with the County Clerk/Recorder we are looking in to purchasing a large format scanner to create a digital file of subdivision plats, surveys etc...

We are also checking on cost of digitization of our old Aerial films.

**Pictometry**

I received an email from John Stoia and the flyover is now completed and they expect 30-60 days of processing before delivery. After processing is completed their Customer Support department will perform final checks in preparation for delivery/deployment.

**Beacon Schneider**

I have included the activity report for the website since we went online in March 2014. I have had a request for additional training and I will check with Beacon Schneider to schedule a date.
