**December 2015 Report**

**2015 Assessment**

Entry of assessment changes at S of A level has been completed for all townships and we are now calculating factors and running our balance reports. We will ready to publish the remainder of the changes in the next couple of weeks. I will schedule the 2016 Assessor meeting for later this month.

**2015 BOARD OF REVIEW**

At this time we have received 30 assessment complaints. The BOR was in November 18 to review exemption applications and information from Property Tax Appeal Hearing November 3. They approved and signed an agreement with the complainant that has been forwarded to PTAB for their final approval which should be done at their December meeting.

**Exemptions**

We will begin printing renewal forms for 2016 Homestead exemptions which will be mailed sometime in January. This will also be a reminder for those that have not completed their 2015 renewals.

**Miscellaneous**

We will work on the coal rights and tax code questions with the County Clerk after we have completed entry of the assessment changes and have published.
