ADULT USE CANNABIS SUMMARY

The following summarizes the major elements of the amendment that will be filed to Senate Bill 7 to legalize recreational adult use cannabis in Illinois.

PERSONAL USE OF CANNABIS

Starting January 1, 2020, adults over 21 will be able to legally purchase cannabis for recreational use from licensed dispensaries across the state.

- Possession limit for Illinois residents:
 - 30 grams of cannabis flower;
 - 5 grams of cannabis concentrate;
 - 500 milligrams of THC contained in a cannabis-infused product; or
 - People may possess more than 30 grams of cannabis if it is grown and secured in their residence under certain conditions.
- Possession limit for non-Illinois residents:
 - 15 grams of cannabis flower;
 - 2.5 grams of cannabis;
 - 250 milligrams of THC contained in a cannabis-infused product.
- The possession limits are to be considered cumulative.

COMPASSIONATE USE OF MEDICAL CANNABIS PILOT PROGRAM

- The legalization of adult use cannabis does not alter the state's medical cannabis pilot program.

PROMOTING EQUITY

- Creation of a \$20 million low-interest loan program
 - DCEO will administer a low-interest loan program to qualified "social equity applicants" to help defray the start-up costs associated with entering the licensed cannabis industry.
- Establishment of a "social equity applicant" status for licensing
 - A social equity applicant is an Illinois resident that meets one of the following criteria:
 - Applicant with at least 51 percent ownership and control by one or more individuals who have resided for at least 5 of the preceding 10 years in a disproportionately impacted area.
 - Applicant with at least 51 percent ownership and control by one or more individuals who have been arrested for, convicted of, or adjudged to be a ward of the juvenile court for any offense that is eligible for expungement under this Act or member of an impacted family;
 - For applicants with a minimum of 10 full-time employees, an applicant with at least 51% of current employees who:
 - Currently reside in a disproportionately impacted area; or
 - Have been arrested for, convicted of, or adjudged to be a ward of the juvenile court for any offense that is eligible for expungement under this Act or member of an impacted family.

- Application for new entrants to the market
 - Scoring process for dispensaries. (The Department of Agriculture will develop a similar process through the rulemaking process for cultivation centers, processors, and craft growers.)
 - The legislation contains the scoring process IDFP will use to review applications.
 - Out of a total of 200 points, 25 points are specifically designated for applicants that qualify as “social equity applicants.”
 - IDFP may award up to 12 bonus points for applicants for preferred, but not required, initiatives. Bonus points will only be awarded in the event that the department receives a greater number of applications that meet the minimum number of points required.
 - Labor and employment practices (2)
 - Labor peace agreement (2)
 - Local community/neighborhood report (2)
 - Environmental plan (2)
 - Illinois owner (2)
 - A plan to engage the community (2)
- Fee waivers
 - The Department of Financial and Professional Regulation and the Department of Agriculture will waive 50 percent of any non-refundable license application fees (up to 2 applications) and any non-refundable fees associated with purchasing a license to operate a cannabis business establishment (up to two licenses) if social equity applicants meet certain conditions.
- Reducing up-front costs
 - Applicants who receive a conditional dispensing organization license will have 180 days from the date of the award to identify a physical location for the dispensing organization retail storefront when new entrants are allowed in the market. This will reduce the costs associated with entering the industry.
- Limitations on ownership
 - No person or entity shall hold any legal, equitable, or beneficial interest, directly or indirectly, of more than 3 cultivation centers.
 - No person or entity shall hold any legal, equitable, or beneficial interest, directly or indirectly, of more than 10 dispensing organizations.
 - No craft grower license shall be issued to any person or entity with more than 10% interest in a cultivation center.
 - No person or entity shall hold any legal, equitable, ownership, or beneficial interest, directly or indirectly, of more than one craft grower license under this article.
- Identify disproportionately impacted areas.
 - DCEO will designate “disproportionately impacted areas” for social equity applicants
 - “Disproportionately impacted area” is defined as a geographic area that is economically disadvantaged and has been impacted by high rates of arrest, conviction, and incarceration for violations of the Cannabis Control Act.

- Process for expungement
 - The proposal sets forth an expedited process of expunging the criminal records of individuals arrested, convicted, on supervision, or on probation for misdemeanor or Class 4 felony

violations of the Cannabis Control Act. The primary goals of this section are to (1) expunge cannabis-related records, and (2) streamline the process.

- The automatic expungement process requires the following:
 - The Department of State Police must identify all individuals with criminal records that are eligible for expungement and automatically expunge records of minor violations within two years of the effective date of the Act.
 - Within 180 days of the effective date of this act, the Department of State Police must notify (a) the prosecutor's offices responsible for prosecuting the offenses, (b) local law enforcement agencies, and (c) the Illinois Attorney General's office identifying all individuals with minor violations that are eligible for expungement.
 - Within 180 days of receipt of the notice from the Department of State Police, the appropriate States Attorney's offices shall file a proposed order with the court seeking expungement on behalf of individuals with eligible offenses. The Attorney General's office may file the proposed order if the State's Attorney has not.
 - Within 180 days after receiving the proposed order, the court will review the proposed order and order the expungement of court and law enforcement records unless it determines that the offense does not meet the definition of a minor violation.
 - The court will provide copies of the order to the Department of State Police, the arresting agency, relevant criminal justice agencies, and the individual whose record has been expunged.
- **The automatic expungement process does not apply to individuals with misdemeanor or Class 4 felony violations that were accompanied by charges other than a qualifying offense. Individuals with those records, and individuals in other circumstances, may separately petition the court to have their records expunged.**

Miscellaneous

I attended the IACO conference April 9 and have class May 7 & 8 in Effingham.
