Real Estate Building – Danny handed out a proposal that Bane Ulrici from Probation has prepared for the use of the Rehab Edge Building (Mekala). This building would be accessible for Mental Health Court and Drug Court. This would give them a confidential meeting space, a meeting place for Recovery and a meeting place for us as well. Our mission is to help with Mental Health and Substance Abuse and this is something that is needed for our community. We do not want to own this building, but we want to support the County Board and the mission.

Brett made a motion to give up to \$50,000 to Montgomery County on this project if the County Board approves the purchase of Rehab Edge Building (Mekala) 2nd by Lori. All in favor; motion carried.
