**MONTGOMERY COUNTY
ASSESSMENT OFFICE REPORT****PROPERTY EVALUATION
AND TAX ADVISORS**

December 22, 2025

Report for December 2025

Dear Montgomery County Leaders,

December marked a highly productive period for the County Assessment Office. Major administrative functions were conducted in full statutory compliance during this annual cycle, including publication of the 2025 assessment changes, mailing of annual change notices, opening of the Board of Review appeal session, generating the Tentative 2025 Abstract of Assessments, and filing the Abstract along with supporting documentation to the Illinois Department of Revenue.

Throughout the month, all staff members actively provided assistance and information to the public. Both new and experienced staff demonstrated strong informational and leadership skills while serving the citizens of Montgomery County. The Office will accept assessment appeals through January 5, 2026.

Additionally, the Office planned and executed the annual Township Assessor's Informational Meeting on December 16, 2025, led by Supervisor of Assessments Tysha Mullen. Alongside the distribution of uniform information, discussions focused on assessment improvement and future plans for the 2027 General Assessment year. This meeting fostered valuable relationships and is expected to contribute to ongoing enhancements in the County's assessment accuracy.

Respectfully submitted,

Gary Twist, Property Evaluation and Tax Advisors

As assessment notices went out on December 4th, our office spent the majority of December speaking to taxpayers and explaining assessment changes to them. At this time, we have accepted close to 70 Board of Review complaints. Board of Review will meet on January 9th at 9 o'clock.

The Tentative Abstract was mailed to the Department of Revenue on December 18th. I received an email from IDOR today indicating the abstract was accepted with no issues for correction.

We had a successful Township Assessor meeting on December 16th with lots of good discussions and plans for uniformity amongst the assessors.

Just as a reminder, our contract with Property Evaluation and Tax Advisors, LLC is set to expire on January 31, 2026. At this point, I feel really good with the knowledge and training Gary and Stan have given to our entire office.

Overall, things are going well in the office and seem to be on schedule.

Montgomery County GIS

New Projects:

- New Annexations for Hillsboro and the Litchfield Park District.
- Annexation/Deannexation Ordinance storage reorganized for easier searching.

Ongoing Projects:

- Importing/rebuilding maps created in ArcMap in ArcPro format.
- Updating Hillsboro bike trail map with new trail data.
- Leesburg/Zanesville is awaiting a vacation ordinance, but is otherwise ready to be corrected. Van Burenburg, likewise.
- Waiting for annexation information from Hillsboro before adding "The Hills" subdivision, because I have no record of part of the existing parcel 16-01-402-009 ever being annexed to the City of Hillsboro. This current parcel is involved in the creation of two future subdivision lots.
- On-site investigation of municipal historical document vaults for unrecorded annexation/deannexation/right-of-way vacation documents. Litchfield, Hillsboro and Nokomis archive search complete. Will continue to other communities as permission is gained and time permits.

Completed:

- Update of Montgomery County parcel data with unrecorded annexation/deannexation/right-of-way vacation documents gathered from Litchfield, Hillsboro, and Nokomis.
- Monthly update of change records and parcel tracking software with recorded document numbers.
- Monthly update of Pictometry data.

On the Back Burner:

- Awaiting feedback on proposed siren maps.
- Update and add to Montgomery County cemetery location, ownership, and maintenance contact data. Update to online map will be made when time permits.
- Solar/wind project inventory and mapping updated with new projects.

Concerns:

- Within the past year, I've been getting increasing requests to pay Plat Act Affidavit fees by debit or credit card. Is there an estimate for when we'll start to have that capability?
