November 2, 2026

Michaela has recently finished up farm cards for parcel splits and I have put on a few last minute changes. As such, we plan to apply township factors and roll to SofA Equalized in the next couple weeks.

I am attending the annual Oil & Gas meeting on Wednesday morning in Mt. Vernon. I also have a webinar on valuing Data Centers that afternoon. I will be attending the Fall IACO conference November 16-18.

Montgomery County GIS

New Projects:

- Audit and update of Montgomery County land use data, per Assessor's Office request.
- Generate preparatory maps for Raymond city council for zoning update.

Ongoing Projects:

- Audit of existing Montgomery County data, prioritizing 911 and election data.
- Monthly update of change records and parcel tracking software with recorded document numbers. This month's total: 4 splits, 1 combination, 1 boundary correction
- Updating Blue Grass Drainage District tile data
- Our GIS metadata needs updating. (Metadata: descriptions of what information is contained in a data set, when it was updated, why it was created, for whom, etc.) This is necessary both for data sharing reasons as well as to help a new user understand what information we have if I am not available.

Completed:

- ARCH landing zone data verified.
- Nokomis garage sale map completed by request.
- Create extended zoning buffer zone map for City of Litchfield.
- Digitize Pattern windmill site locations near Hillsboro.
- Parcel topology verification complete.
- Monthly update of Pictometry data.

On the Back Burner:

- Update ArcGIS Online datasets for county, prepare a map for disaster data collection in the field.
- On-site investigation of municipal historical document vaults for unrecorded annexation/deannexation/right-of-way vacation documents. Litchfield, Hillsboro, Nokomis, and Taylor Springs archive search complete. Will continue to other communities as permission is gained and time permits.
- Creation of "The Hills" subdivision in GIS is currently waiting on information from the survey preparer.
- Van Burensburg and related property modifications in the area are still waiting on a vacation ordinance.

Concerns:

- I've been getting increasing requests to pay Plat Act Affidavit fees by debit or credit card. Is there an estimate for when we'll start to have that capability?
