Supervisor of Assessments
Montgomery County
1 Courthouse Square, Room 201
Hillsboro, IL. 62049**

Tysha Mullen

Phone: 217-532-9595

April 9, 2026

Our office received 258 assessment complaints and nine of them requested Board of Review hearings. Those hearings were scheduled this past Monday.

Our office continues to receive exemption forms from elderly and disabled property owners. To date, we have received nearly exemptions (senior and disabled)

On March 10th we had a meeting with Alex Simpson from Bruce Harris regarding the buyout by Beacon Schneider. Alex was going to get additional information to us regarding our options going forward.

We seem to be on schedule to submit our final abstract to the State and Roll to IDOR level in the near future.

Montgomery County GIS

New Projects:

- First draft of an updated drainage tile map for Raymond #1 Drainage District complete and waiting for feedback.

Ongoing Projects:

- Monthly update of change records and parcel tracking software with recorded document numbers. This month's total: 15 splits, 3 combinations, and the creation of Wildflower Subdivision with its 49 parcels.
- One parcel modification requiring 3 (possibly 4) splits waiting on updated descriptions from preparer.
- Van Burensburg and related property modifications in the area are still waiting on a vacation ordinance.
- "The Hills" subdivision still needs to be created in Montgomery County GIS data when time permits.
- On-site investigation of municipal historical document vaults for unrecorded annexation/deannexation/right-of-way vacation documents. Litchfield, Hillsboro, Nokomis, and Taylor Springs archive search complete. Will continue to other communities as permission is gained and time permits.
- Importing/rebuilding maps created in ArcMap into ArcPro format.

Completed:

- Monthly update of Pictometry data.
- Maps created for EMA and Nokomis Fire Department use.

On the Back Burner:

- Awaiting feedback on proposed siren maps.
- Update and add to Montgomery County cemetery location, ownership, and maintenance contact data. Update to online map will be made when time permits.
- Solar/wind project inventory and mapping updated with new projects.

Concerns:

- Within the past year, I've been getting increasing requests to pay Plat Act Affidavit fees by debit or credit card. Is there an estimate for when we'll start to have that capability?
