September 1, 2026

I attended the Area IV and V Joint Meeting this past Friday at Rend Lake Golf Course. It was very informative and well attended.

Michaela will be giving her IPAI courses on September 9th. She will be in class the majority of the Month of September.

Our office is still busy inputting Township Assessor work at this time.

New Projects:

Ongoing Projects:

- Monthly update of change records and parcel tracking software with recorded document numbers. This month's total: 8 splits, 5 combinations (1 was a removal of an expired lease), 1 new subdivision, 2 boundary correction to deeds
- Updating and correcting building point data (residential and non-residential). This also crosschecks Assessor's Office Devnet data, as an added benefit.
- Hydrological data also being updated as changes are discovered.
- Topological verification of parcel data in ArcPro continues. (Overlaps, gaps, etc.) The first pass is always the most involved when checking data- after that, it's just keeping up with maintenance.
- Watershed map updating for Blue Grass Drainage District.

Completed:

- Multiple maps created for the City of Raymond regarding potential wind sites, zoning boundaries, and annexation history.
- New district map created for Taylor Springs Fire Protection District.
- Lake lot map of Lake Glenn Shoals created for Hillsboro Parks, Lakes, and Recreation.
- Monthly update of Pictometry data.

On the Back Burner:

- Our GIS metadata needs updating. (Metadata: descriptions of what information is contained in a data set, when it was updated, why it was created, for whom, etc.) This is necessary both for data sharing reasons as well as to help a new user understand what information we have if I am not available.
- Update ArcGIS Online datasets for county, prepare a map for disaster data collection in the field.
- Update and add to Montgomery County cemetery location, ownership, and maintenance contact data. Update to online map will be made when time permits.
- On-site investigation of municipal historical document vaults for unrecorded annexation/deannexation/right-of-way vacation documents. Litchfield, Hillsboro, Nokomis, and Taylor Springs archive search complete. Will continue to other communities as permission is gained and time permits.
- Creation of "The Hills" subdivision in GIS is currently waiting on information from the survey preparer.
- Van Burensburg and related property modifications in the area are still waiting on a vacation ordinance.
